## **2013 MONTHLY PREMIUMS: “Pre-65” Plans**

(Applicable for eligible retirees with a retirement date on or after 10/01/2008)

### **Cost Per Month (1/1/2013 - 6/30/2013)**

Rates will change 7/1/2013

#### **Individual**

Early Retiree Plan	\$888.80
Value Plan	\$588.52

#### **Family**

Early Retiree Plan	\$2,472.89
Value Plan	\$1,649.90

**What is the Value Plan?** It is a less expensive plan with reduced benefits available to retirees and their spouses. See Attached Comparison Chart on the other side.

#### **How much of the plan cost will I pay?**

If you are a State Retiree (not a teacher) and are at least 59 years old with 20+ years of creditable service, the State will pay 80% of the cost of an individual Early Retiree or Value Plan.

#### **Can my spouse and I have different coverage?**

Yes. A Retiree and his/her spouse can select different health plans. If one is Medicare eligible and the other is not, one person may be in an “over 65” plan and the other in an “under 65” plan.

**Can retired teachers join the State retiree health plan during Open Enrollment?** Yes, as long as you receive a pension from ERSRI. Teachers pay 100% of the premium above.

**Can I get Family Coverage?** Yes. You must fill out a family application if you wish to cover children. It is the retiree’s responsibility to notify the Office of Employee Benefits in writing when children are no longer eligible.

#### **Will my current premium change on**

**January 1, 2013?** No. If you are already enrolled in a State medical plan and are not making any changes, your premium will NOT change until July 1, 2013.

#### **What if I will turn age 65 during 2013 and I am currently covered by a State health plan or have State COBRA medical coverage?**
